

Retirement Planning Sessions

Barbara Jean Conneely, benefits manager for the Office of Human Resources, will be conducting information sessions to discuss retirement planning from UMass Boston. Group discussions will cover State Retirement applications, GIC/Medicare options, and other retirement information for UMass Boston retirees. These sessions are most beneficial for those who are considering retirement within the next two years.

We would strongly encourage that you call the State Retirement Board at 617.367.7770, ask for a retirement counselor, and request a retirement estimate to be mailed to your home address before attending one of the group discussions.
