The FSU has agreed to make the following changes to the AFR with the Community Involvement Advisory Committee:

AFR: Proposed Changes to Personal and Contact Information Screen

     I.   The current screen (OLD) contains the following text:

Please provide up to 7 keywords to describe your research expertise and/or current interests. This field is optional and will not appear on your AFR. (Text box for data input follows this text.)

     II.   Proposed changes and additions to the Personal and Contact Information screen (NEW) – all fields/questions are optional:

Please provide up to 7 keywords to describe your research expertise and/or current interests. This field is optional and will not appear on your official AFR. (Text box follows.)

You may also optionally choose to flag your participation in any *community-engaged* activities (defined in the broadest of terms). This field is also optional and will not appear on your official AFR.

Have you collaborated with a community partner to address a community issue as part of your research creative or professional activity? ___ Yes ___ No

Have you collaborated with a community partner to address a community issue as part of your teaching? ___ Yes ___ No

Have you collaborated with a community partner to address a community issue as part of your service? ___ Yes ___ No

Please describe projects briefly and, if possible, list zip codes of particular locations where this work is undertaken. (Text box follows.)
