ATTENTION: SMART Local 206 Members

May 26, 2020

Due to the Governors extension to the STAY-HOME Order, SMART Local 206 will be moving to an electronic format to conduct our SMART Local 206 Monthly Membership Meetings.

Tuesday June 9, 2020 at 5:00pm, Local #206 will be holding a ZOOM Interactive Video Tutorial Conference. There will be no SMART Local 206 business done at this meeting. It strictly will be an opportunity for all SMART Local 206 members to become more familiar with the ZOOM meeting process before our regularly scheduled membership meeting. That regularly scheduled membership meeting will be held on Wednesday, June 10, 2020 at 5:00pm using the same ZOOM process.

As this is a brand-new system for some members to take part in, we understand that there will be many questions from you as a member. Local 206 will continue to use ongoing outreach through various platforms (e-mails, website, texts, and social media) to inform and educate its members on ZOOM. The first part of the process is key to the function of our goal to serve you as a member during these difficult times.

In order to register for the upcoming ZOOM meetings, you will need to follow the link listed below. This registration process only starts with the use of the link. Once registered, each member is vetted by both Smart International and Smart Local 206, then sent a member specific personal link to attend the meeting. Please understand if you do not register soon enough, because of the amount of time it takes to complete this system, you may not be cleared with enough time to attend the meeting. The ZOOM registration will be sent to your email address with a description of the meeting. If you received this notice via email, please make sure your email address is correct and your dues are up to date. Both must be current to participate. If you did not receive this notice via email, or if you have not sent in a current email address to Local 206, please send your current email address to Douglas Tracy at DTracy@Smart206.org.

To register for the meetings, each Local 206 member will need to have their SMART IA number. Your IA number is located on your dues receipt as shown below.

The link needed to register is https://zoom.us/webinar/register/WN_2FgXbh9GSiiNBICK-sSHjA COVID-19 has forced us all to adapt in many ways, we ask for your understanding as we find new and innovative pathways to service you as a member.
