

# Send a message to Governor Baker and the Pioneer Institute

***You won't bust our unions!***  
***You won't privatize our public schools and colleges!***

**Join us Monday evening, Sept. 24,** to demonstrate at the Seaport Hotel, where the Pioneer Institute will be holding a ceremony featuring Governor Charlie Baker. Pioneer is the Massachusetts affiliate of the right-wing network that has been sending union-busting propaganda to MTA members in the aftermath of the U.S. Supreme Court's *Janus* decision. Pioneer and the Mackinac Center help shepherd anti-labor cases such as *Janus* through the legal system.

We also need to do more than give Baker the cold shoulder in response to his warm welcome by Pioneer. Baker needs to hear from us, especially as his administration stalls and backtracks on contracts affecting thousands of dedicated employees at our state colleges and universities.

**Meet:** Between 5 and 5:15 p.m. Monday on Seaport Boulevard near Pier Four Boulevard in front of Whiskey Priest. Parking is available in a public lot across the street. The lot is accessible from East Service Road and Boston Wharf Road.

**March:** We will have signs and flyers available as we march the two-tenths of a mile to the Seaport Hotel, where the Pioneer event is taking place at 6 p.m.
