Remember...
UMass works
because we do.*

Don't let UMass leadership break your heart.
Stand with your co-workers and FSU,
and feel the love of solidarity.

In these days when we feel attacked on all sides
—from layoffs and increased workloads, to GIC
changes and proposed parking fee increases—
it's more important than ever to get involved in
our union, the Faculty Staff Union.
We are fighting for:

- debt relief for UMB
- fair treatment for long-term workers targeted for layoffs
- decent cost of living increases
- good and affordable health care
- UMB's urban mission
- and no increase to our parking fees!
